

## CORPORATE MEETINGS & EVENTS

# Auckland's Best Kept Venue Secret

**Ocean Eagle Charters offers corporate clients a unique, memorable and cost-effective alternative for a wide range of corporate meetings and events.**

One of Auckland's best kept secrets, the Ocean Eagle is a luxury 72-Foot Catamaran berthed in Auckland's Viaduct Basin. We are extremely flexible when it comes to meetings and events, with multiple areas on the boat to suit most requirements. We can accommodate groups up to 150 people, and can also make groups as small as 10 feel at home.

While the Ocean Eagle is arguably at its best while out on the water cruising, our location at Berth 14 in the Viaduct (in front of Kermadec and Snapdragon) also offers an amazing outlook for meetings while in dock. Or you can have the best of both worlds – get your work out of the way in the morning, then let your hair down and cruise for the afternoon.

Ocean Eagle Charters. Events that move you.  
Arrange a visit today on 0800 VIADUCT.

## CONFERENCES

**So you're holding a conference in Auckland. It only seems right that you get your delegates out on the water with Ocean Eagle Charters, to get the true 'City of Sails' experience.**

The Ocean Eagle is the perfect venue for holding your next conference with a number of areas capable of holding smaller groups of up to 30-40 people on round tables.

Likewise, if you are looking for a truly spectacular option for a finale event on the last day or evening of your conference then Ocean Eagle Charters can help. We offer a special environment for all manner of finale events, including:

- National / Regional Awards Dinners
- Themed Parties (e.g. Fancy Dress, Casino Nights, etc)
- Motivational Speakers
- Dinner & Dance Evenings

**Talk to us today about arranging a time to visit our Cruise Director on the Ocean Eagle to discuss how we can help make your next conference a huge success.**

## STRATEGY DAYS

**When it comes to planning for the continued success of your organisation, your senior management team needs to be able to focus on the task at hand.**

Let's be honest - even if you lock yourselves away in your boardroom, it's hard not to be distracted by thoughts of voicemail messages and emails hitting your inbox down the hallway.

The Ocean Eagle now offers a versatile and unique alternative for leadership teams wanting an off-site meeting venue, away from interruptions and temptations of racing back to clear messages, during each available break. We have several working areas on the vessel and we have dedicated Audio/Visual (AV) Equipment\* to help you facilitate your next planning session.

*(\*The Ocean Eagle offers a 50" LCD Screen, a DVD Player, & Flip-boards on a complimentary basis as part of any charter booking. We can also arrange other AV equipment as required, e.g. Data Projector, Projector Screen, Printable Whiteboard, etc. These additional items will be quoted upon request. We're also happy to discuss you bringing your own existing equipment on board to use.)*

**Come aboard the Ocean Eagle today and let us help you plan your next Management Team 'Away Day'.**

## BRAINSTORMING SESSIONS

**Bring your team down to the vibrant Viaduct basin, and watch the creative juices start to flow. Take your next brainstorming session to another level with Ocean Eagle Charters.**

To get the most out of any brainstorming session, you need to ensure your team is prepared, 100% engaged, and excited about taking part in the process. Holding your session on the water means your brainstorming becomes much more of an event, as opposed to a simple business exercise.

Depending on the size of your team, we have 2-3 large spaces available for group brainstorming up to 40 people, or a number of smaller 'break-out' areas ideal for multiple groups of between 5-10 individuals.

**Talk to us today about arranging a 'Vessel Visit' to see how we can help you get more out of your next brainstorming session.**

## TEAM BUILDING / SOCIAL CLUB EVENTS

**Our people are one of our most important assets, so it makes sense to ensure they are feeling happy and motivated at all times. It's time to forget ten-pin bowling, and really show them that you appreciate all their hard work.**

Team building and social club events are, by their very nature, meant to bring your staff closer together. It's all about providing a platform to allow your people to build team rapport as they get to know each other better outside of the traditional office environment.

A cruise on the harbour offers a wonderful alternative to other 'over-done' options e.g. Ten-pin Bowling, Go Karts, Mini Golf, a local Pub etc. Ocean Eagle Charters is fully licensed and we do all of our own catering – a key advantage over many of the other options previously mentioned who are extremely limited in these areas.

**Call us today about coming to see first-hand how we could make your next team event an occasion to remember.**

## KEY ACCOUNT HOSPITALITY

**In challenging economic times, it's important to ensure your existing customer relationships remain strong. There's never been a better time to show your customers exactly how much you love them.**

It's easier (and cheaper) to sell more to our existing clients than to find new ones, so it's increasingly important we show our most valued customers that we care. Whether it's a day out watching a sailing regatta or a spectacular night cruise, the Ocean Eagle is here to help, as the leading charter vessel on the Waitemata Harbour. Unlike many of our competitors who double as ferry boats during the day, the Ocean Eagle is a luxury charter vessel, dedicated to corporate events & meetings, weddings and private functions.

### **Rugby Hospitality Cruises**

Ocean Eagle Charters offers groups a unique and cost-effective alternative for Rugby Hospitality in Auckland. Whether it's watching a game on our big screens while cruising on the harbour, or getting in a few pre-match drinks before heading to the game, the Ocean Eagle team is here to help. We're just a short walk across to Britomart where FREE buses and trains operate for match ticket holders.

**Arrange a visit with our Cruise Director today, to discuss how we can help you to strengthen your customer relationships.**

## PRODUCT LAUNCHES

**The hard work has been done and now it's time to launch your new product to the world. Isn't it only fair that your launch takes place in a venue that will help to leave a lasting impression on your guests?**

Ocean Eagle Charters offers a number of unique advantages for delivering product launches with genuine 'wow factor':

- *Unique Environment* – much more than a hotel ballroom, meeting room or foyer
- *Captive Audience* – once your guests are on the water they are 'yours' until you return to base
- *Flexible Spaces* – we offer a number of functional areas across three levels of the vessel which means you can showcase a range of new products and solutions at one event
- *Minimal Decoration* – because the Ocean Eagle is a luxury boat you do not need to 'dress to impress' with elaborate theming as much as other venues.

**Contact our Cruise Director today to arrange your next product launch.**

## AUDIO/VISUAL (AV)

**Ocean Eagle Charters is committed to making your next event or meeting as stress-free as possible. We reckon you should be able to 'walk-on and walk-off' with minimum effort.**

Ocean Eagle Charters has a range of dedicated AV equipment available for you to use on a complimentary basis as part of any charter booking. This includes a Panasonic 50" LCD TV, a DVD Player and Flip-boards. We can also arrange other equipment (eg. Data Projectors, Projector Screens, Printable Whiteboards, etc) upon request (at an additional cost). We are also happy to discuss you bringing your own AV equipment onboard to use.

## FOOD & BEVERAGE

**Ensuring that your team and guests are kept suitably refreshed is critical to the success of your event. Doing it with food and beverages that just blows people away - well that's the 'icing on the cake'.**

Unlike many other charter companies, we prepare all of our own food. And if there's one aspect of our operation that we consistently receive rave reviews about, it's our food.

We have a range of set-menu options to suit all budgets, and we can tailor your function to suit any special needs.

**Please visit our website to view our menus, and to read some of the awesome feedback we've received.**

## TESTIMONIAL: EMIRATES TEAM NEW ZEALAND

"Emirates Team New Zealand uses Ocean Eagle Charters as its preferred supplier for charter events on Auckland's Waitemata Harbour. Emirates Team New Zealand has an unyielding commitment to quality, and with this in mind, we accept only the best when it comes to every aspect of our operation. The team at Ocean Eagle consistently delivers service of the highest calibre and we have no hesitation in recommending them to anyone looking for a charter experience to remember".
